To the Parents/Guardians of Rancho del Mar High School Students,

On, November 13th and November 18th, the RDM school counselor and Counseling and Support Services for Youth (SAGE) Therapist will present a lesson to all students during their 4th period class. The presentation will present a series of typical teenage situations and then facilitate discussions to help students in decision making. Additionally, students will be provided pertinent information, statistics, and where they can turn to get help. Under Education Code Section 215 and Assembly Bill 2246, PVPUSD is required to educate students on suicide prevention and related topics. The presentation will cover the following topics:

- * Stress
- * Depression
- * Peer Pressure
- *Transgender Issues
- * Safe Dating
- *Suicide
- *Drug and Alcohol Use

We acknowledge these topics are sensitive, but are truly representative of the high school experience. We expect all students to be present for this lesson unless you do not want them to participate. **If you are NOT comfortable with your student participating in the presentation, please sign the form below and have your student bring the signed opt-out form to the counselor on or before the day of the presentations, November 13th and 18th.**

Sincerely,

Rick Licciardello, Ed. D., Principal
Kim Gill, Counselor

I do **NOT** give my student permission to participate in the guidance lesson on November 13th and November 18th.
